## PRESS RELEASE

**MILAN, 6<sup>th</sup> March 2013** - "**AROUND LAB NEWS**" ([www.aroundlabnews.com](http://www.aroundlabnews.com)) is a new non-commercial educational communication channel, dedicated to the Directors of Analytical Laboratories, Scientists, Technicians, Analysts, Hygienists, Quality Control, and Quality Assurance Employees, HACCP Consultants, all operating within the chemical, physical, microbiological, life science, medical, biotech and environmental sciences. The objective is to upgrade these laboratories, with the research and development in the pharmaceutical, chemical, cosmetic, biotechnology, agro-food, dairy, environment, ecology industries and in the Clean Room and hospital authorities, schools and universities.

Behind the communication channel, is the team of the Ligugnana Brothers who for over 50 years have successfully updated the scientific laboratory community, both in Italy and worldwide in the field of applied science.

The themes for discussion in "**AROUND LAB NEWS**" include:
